The game of soccer football, the so-

Richardson, of the Caledonians,

kicked two goals from the field, both

from the 20-yard line, and that equalized the score the Englishmen had amassed. The second half was the scene of quick

ork by both sides, as the long kicking f Shoesmith and Kay and the playing

of the round ball between Bryson of the Caledonians, and Tinker, of the Sons, resulted in a delay of the scoring, and the game reverted to the first half, which

Collinge, playing goal for the English-

men, received many hard smacks, but was intrepid throughout, and saved the

game twice for his team by daring re-turn of the ball to the middle.

Richardson, of the Caledonians, was the bright particular star for his team, and while all of the players showed a lament-

able lack of practice, it is seen that

some interesting games of the soccer variety may be expected later, when the

### ROYAL WELCOME FOR MACK'S MEN

Philadelphia Goes Wild Over Champion Athletics.

Philadelphia, Oct. 24. - The world's champions, the Athletics, arrived home this afternoon from Chicago on a special train that arrived at Broad Station at 5:05 o'clock. There was a band of music and a tremendous crowd of men at the station to meet them. Beating their way through the crowd, the players and Connie Mack were loaded into autos and whirled away to the Bellevue-Stratford for supper. After that the team attended the theater. This was the start of the festivities, which will be kept up for

some time. Mayor Reyburn greeted the players at the station. There will be a big banquet given by the club, and a parade will likely be given next week. At the dinner Connie Mack departed from his usual custom and made a halfhour speech. He told about the great work of each and every player, and wound up by saying that there would be

a "Harry Davis use,"
"Cy Young day."
Long before the train arrived the
were black with people, and
they could streets were black with people, and nearly 300 policemen had all they could do to hold the throngs in check.
